

Judy's Blanket

Baby Blanket Pattern

HELENA SHANK FOR CRAFTOPIA COLLECTIVE

Sample done in Bernat Baby Coordinates.

Judy's Baby Blanket is a small, cozy blanket perfect for lounging on the couch with a project in hand. This patchwork blanket is made up of three square designs, each done in a separate colour. It includes two squares designed exclusively for this blanket in yellow and teal, and a traditional four round granny square design in pastel pink.

Judy's Blanket is made up of 48 crocheted squares, 16 of each design. They are joined together using the single crochet stitch, and the edging is made up of two rows of double crochet.
